PAXMAN^o

CHANGING THE FACE OF CANCER

What happens after cap sizing?

Now that you have been sized for your Paxman Cap, your physician will fax your enrollment form to the Paxman Hub.

The Hub will reach out to you on the phone number you listed on the enrollment form ASAP to arrange payment, usually within 24-48hrs. If you do not hear from the Hub within this time please get in contact with them at **8445 PAXMAN (844-572-9626)**.

Once payment is received the Hub will pass your prescription to the Pharmacy, who will be in touch to schedule shipment of your Personal Cap Kit. Please note you must be available via phone to schedule the shipment.

Once the shipment is scheduled, your Cap Kit will be delivered.
